Dear Gerry & Declan,

On behalf of our 12 O'Clock Hills Community group I wish to thank you and Coillte manager Declan Garvey for your great support in facilitating the developing of this now hurgely popular hill walking facility in East Clare. From the very off back in 2013 when a MOU had to be signed, then developing the trails through to our current latest initiaves in trails extensions and developing the heritage sites and adding a Fairyland facility we have been greatly supported by Coillte and its so much appreciated.

Sincerely Yours

*P Neville*
